SIR,

I have the honor to state that the undermentioned lands of the extent of -- 17-35 and assessed at -- Rs.92-12-0 are endowed to the Sri Lakshmikrasimha Swami temple at Kole----- Nursapur and are in the -- enjoyment of over 50 persons who pay an annual rental of Rs.140-1-6 out of which -- Rs.66-11-11 are appropriated towards jodi and cesses due to Government on the lands, leaving a balance of Rs.53-5-9 for the temple. The alienation by -- sale of 3 S.Nos. (92,93 & 114) having come to the notice of the -- Taluk authorities, the matter was enquired into and reported upon. The Deputy Commissioner ordered the resumption and the leasing out of the lands for 5 years as proposed by the Dharmadarsis. The lease was sold by auction but there were no bids. In the mean-time the tenants urged their long possession. In consideration of this, the Dharmadarsis recommended that as it was not feasible to evict the tenants, they may be allowed to remain in possession on payment of a patta of Rs.18/- per acre, thus increasing the income by Rs.178-11-11. Rs.10,000/- in trust for me but would like to get the amount back in small annual instalments of Rs.1000/-. I have personally seen the lands which he proposed to purchase all lie in the heart of several ---- villages. The lands are very fertile. The price asked works out on an average to Rs.500/- per acre, which may be considered to be comparatively high. Thus if I were to buy an Savings Bank Fixed Deposit will bring an annual income of Rs.200/- permanently as the investment equal to the present income of about Rs.54/-. Considering the fact that the lands have been long in private holding, some having even changed hands and it may not be possible to resume the lands at any instance of time and the occupants may come forward to pay a fairly good price, or may

with the object of securing permanent tenancy rights, I beg to recommend that the lands may be confirmed to them cancelling the Inam tenure on payment of the sum of Rs.10,000 in annual instalments of Rs.2000 as agreed to by them. In this connection, I beg to point out that while the Jari amount has been gifted by Government for the benefit of the institution, it will accrue to Government if the Inam tenure is cancelled and the land treated as sircar. I therefore beg to recommend that in these circumstances a cash grant equal to the Jari amount may be sanctioned to the institution, in case my first alternative is accepted.

Early orders are solicited in the matter.

The connected records are herein enclosed for reference and kind return.
